Respondent: John Alloccca Date: August 2, 2005

<u>Information Request DTE 1-8</u>

- Q. Please refer to page 6, lines 6-8, of Mr. Allocca's prefiled testimony. Please explain why Parkway was selected as the deliver point for the transport of gas from Dawn. State whether delivery of gas to Waddington was considered as an option, and further provide the Company's rationale for such consideration.
- A. Parkway was selected as the delivery point under the Union Agreement because that is the point at which Union interconnects with TransCanada. Ultimately, the gas will be delivered by TransCanada to Waddington. Please refer to page 20 of the July 6, 2005 presentation that is attached in response to Information Request DTE 1-2.
